FALL SERVICE BEGINS SUNDAY, SEPTEMBER 10

Three times a year, LTD makes route and schedule adjustments to make bus service more efficient and meet the changing needs of our community. On Sunday, September 10, the third service change of the year takes effect. Behind the scenes, our transportation planners study ridership patterns months in advance to create an operating schedule that meets the demand of our riders.

HELP US REIMAGINE YOUR TRANSIT SYSTEM!

LTD is conducting a Communications and Engagement survey to understand how we can better engage and collaborate with our community going forward. Survey results will inform the development of a Community Outreach Framework, a foundational guide for how LTD works alongside the public on projects and other District initiatives.

Submit a completed survey for the chance to win a \$100 gift card to Fred Meyer. The survey will take no more than five minutes. The survey will be open from September 5 to October 13, 2023. Paper surveys are available at LTD's Eugene Customer Service Center located at 1080 Willamette St., Eugene.

Pay as You go with Umo!

When you pay as you go with Umo, you'll never pay more than the cost of a Day Pass in a single day, or more than the cost of a 1-Month Pass in a calendar month. Now, there is no need to pay upfront for a 1-Month bus pass. Here's how paying fare with Umo can save you money:

1. Create a Umo account in the Umo app or at UmoPass.com.
2. Add money to your Umo account online or at the Customer Service Center.
3. Scan your tap card or Umo app each time you board the bus to pay fare using your Umo account balance.
4. Continue to pay as you go with Umo. Your Umo account will keep track of how much fare you've paid in a day and month to make sure you get the best value.

Let Umo crunch the numbers so you get the best deal. All you have to do is [get started with Umo](#) and add money to your Umo account.
