# HOW TO RIDE THE BUS | CÓMO TOMAR EL AUTOBÚS

Whether you've never hopped aboard a bus, you're riding for the first time in a while, or you're a regular rider who wants to learn more, LTD has some tips to make riding the bus safe, easy and convenient.

Si nunca ha subido a bordo de un autobús, es la primera vez que viaja en mucho tiempo o es un pasajero regular que quiere aprender más, LTD tiene algunos consejos para que viajar en el autobús sea seguro, fácil y conveniente.

## Arrive 5 Minutes Early

Arrive at the stop at least five minutes early and confirm you are at the correct bus stop; route numbers are listed on the bus stop sign. Wait on the sidewalk or shoulder where the bus operator can see you.

## Llegue 5 Minutos Antes

Llegue a la parada al menos cinco minutos antes y confirme que está en la parada de autobús correcta. Los números de ruta están indicados en el letrero de la parada de autobús. Espere en la acera o en el arcén donde el conductor pueda verle.

## Have Your Fare Ready

Be ready to board with exact change, a valid paper bus pass, or fare loaded on a tap card or the Umo Mobility app. When using the Umo Mobility app, have your Umo Wallet open on your phone to be scanned when boarding the bus.

## Tenga Listo su Dinero Para el Pasaje

Prepárese para abordar con el dinero justo, con un pase de autobús en papel válido o con el pasaje cargado en su tarjeta de contacto o en la aplicación Umo Mobility. Al usar la aplicación Umo Mobility, tenga abierta su Billetera Umo en su teléfono para escanearla cuando suba al autobús.

## Check the Destination Sign

As the bus approaches, check the LED sign above the front window to verify you're boarding the correct bus. Several routes may serve one stop, so if it is not the correct route, just wave the bus by and wait for the correct bus.

## Verifique el Letrero de Destino

Cuando se aproxime el autobús, verifique el letrero LED en la ventana delantera para verificar que está tomando el autobús correcto. Varias rutas usan la misma parada, de modo que, si no es la ruta correcta, solamente salude y espere el autobús correcto.

## Stay Clear of the Bus

Stay back from the curb and wait until the bus comes to a complete stop before boarding. If you need to use a boarding ramp or lift, just ask the bus operator.

## Manténgase Lejos del Autobús

Párese en el fondo de la acera y espere hasta que el autobús se detenga completamente antes de abordar. Si necesita usar una rampa o elevador, pídale al conductor.

## Pull the Signal Cord Before Your Stop

While riding, look for your stop. Pull the signal cord above the windows when the bus is about a city block away to alert the bus operator to stop at the next designated stop.

## Jale el Cordón de Llamada Antes de su Parada

Mientras viaja, busque su parada. Jale el cordón de llamada encima de las ventanas cuando el autobús esté a una cuadra para indicar al conductor que se detenga en la siguiente parada designada.

## Exit Through the Rear Doors

Exit through the rear door of the bus to allow boarding passengers easy access to the front. For safety precautions, please wait for the bus to pull away and check for traffic before crossing the street.

## Salga por las Puertas Traseras

Salga por la puerta trasera del autobús para permitir que los pasajeros que entran tengan un acceso despejado por la puerta delantera. Por precaución, espere hasta que el autobús se haya retirado y fíjese en el tráfico antes de cruzar la calle.

### Customer Service Center (CSC) & Online Sales

Monthly, 3-Month, Half-Fare, Day Passes, and RideSource ticket books, can be purchased at LTD. org/Shop, UmoPass.com or through the LTD Customer Service Center (CSC). Online and phone orders will be shipped within two business days. A \$2 shipping and handling charge will be applied to the total order price. Day Passes can be purchased at CSC with cash or credit card.

## Stored Value

Riders can add funds to their tap card or Umo Wallet, called Stored Value, to pay as they ride. Check your Umo Wallet balance using your Umo account in the app, or at UmoPass.com. You can also check your balance at the Customer Service Center. Paying with Stored Value unlocks money-saving benefits for riders; learn more about those benefits, called Fare Capping, in the next section.

## Fare Capping

Fare Capping is a money-saving benefit for riders that pay fare using Stored Value with a tap card or the Umo Mobility app. Here's how it works:

1. Add funds to your Umo account online or at CSC.
2. Scan your tap card or Umo app each time you board the bus to pay fare using Stored Value.
3. Once you've paid total fares equal to the cost of a Day Pass or 1-Month Pass, no fare will be deducted for the duration of that day or calendar when you scan your tap card or Umo app – don't worry, we'll do the math.

## Fare Types

### Day Pass

### Monthly Passes

# TAKE YOUR BIKE ON THE BUS

## Pedal, Hop On, & Enjoy the Ride

- **Bike racks can accommodate standard bicycles.** Most buses are equipped with bike racks with room for three bicycles.
- **Remove any attachments from your bike** that may interfere with the safe operation of the bus.
- **Place bikes in the rack closest to the bus.** If the bike rack is full, you must wait for the next bus. Before exiting the bus, remind the bus operator that you will be removing your bike. Use caution as you step in front of the bus to access the bike rack. If your bike is the last bike on the rack, raise the rack to the upright position.
- **Bicycles and similar devices powered by FUEL other than a battery are NOT PERMITTED.** Battery compartments must be sealed. Devices must weigh under 55 lbs. to be allowed inside the bus, or under 40 lbs. when using the bicycle rack.
- **LTD assumes no liability** for injuries or property damage as a result of loading, unloading, transporting bicycles, or any other property on bike racks on the buses regardless of the circumstances leading to an event. Any use of the racks by a patron constitute acceptance of these terms.

## Bikes on EmX

EmX buses have a bike rack on the inside with room to hold three bikes.

### Here's how to take your bike on the EmX:

- Enter through the rear door of the EmX bus.
- Place your bike in the bike rack or
- Secure your bike using the velcro straps.
- Stand by your bike.
- When you arrive at your stop, exit through the back door.

## Rural Routes

On rural routes, bicycles are allowed in the wheelchair area inside the bus if the front rack is full, at the bus operator's discretion. However, seniors and people with disabilities are given priority for this space. You may be asked to remove your bike prior to arriving at your destination in order to accommodate customers.

## Bike Rack Instructions

1

Squeeze the release handle to pull the rack down.

2

Lift bike onto the rack, placing the front wheel in the labeled slot.

3

Pull out the lever, then raise the support arm up and over the front tire.

## More Helpful Tips!

LTD bus operators are committed to providing quality service, but unfortunately they are not able to assist with bike loading or unloading. With the information provided in this guide, you will be well on your way to loading and unloading your bike with ease.

To learn more about how to take your bike on the bus, visit our website at [LTD.org/Bikes-On-The-Bus](http://LTD.org/Bikes-On-The-Bus)

## Pedalee, Súbase y Disfrute del Viaje

- **Las parrillas para bicicletas pueden acomodar bicicletas estándar.** Muchos autobuses están equipados con parrillas para bicicletas con espacio para tres bicicletas.
- **Retire todos los sujetadores de su bicicleta** que puedan interferir en la conducción segura del autobús.
- **Coloque las bicicletas en la parrilla más cercana al autobús.** Si la parrilla para bicis está llena, deberá esperar el siguiente autobús. Antes de salir del autobús, recuerde al conductor que va a retirar su bicicleta. Tenga cuidado cuando esté delante del autobús para acceder a la parrilla para bicicletas. Si su bicicleta es la última de la parrilla, levante la parrilla hasta la posición vertical.
- **NO SE PERMITEN bicicletas y aparatos similares a COMBUSTIBLE que no sean a batería.** Los compartimentos para las baterías deben estar cerrados. Los aparatos deben pesar menos de 55 libras para poder entrar al autobús o menos de 40 libras si van en la parrilla para bicicletas.
- **LTD no asume ninguna responsabilidad** por accidentes o daños a la propiedad como resultado de la carga, descarga o transporte de las bicicletas o a cualquier otra propiedad en las parrillas para bicicletas en los buses, sean cuales sean las circunstancias que causaron un evento. El uso de las parrillas por parte de los pasajeros constituye la aceptación de estos términos.

## Bicicletas en EmX

Los EmX tienen una parrilla para bicicletas en el interior con espacio para tres bicicletas.

### Cómo debe llevar su bici en los EmX:

- Entre por la puerta trasera del autobús EmX.
- Coloque su bici en la parrilla para bicicletas o
- Sujete su bici usando las correas de Velcro.
- Manténgase al lado de su bici.
- Cuando llegue a su parada, salga por la puerta de atrás.

## Rutas Rurales

En las rutas rurales se permiten bicicletas en la zona para sillas de ruedas dentro del autobús, si es que la parrilla delantera está llena, se deja a discreción del conductor. Sin embargo, los adultos mayores y personas con discapacidades tienen prioridad para usar este espacio. Tal vez se le pida que retire su bici antes de llegar a su destino para poder acomodar a los pasajeros.

## Instrucciones para el Uso de la Parrilla para Bicicletas:

1

Sacuda la manivela de liberación para jalar la parrilla hacia abajo.

2

Levante la bici sobre la parrilla, colocando la rueda delantera en la ranura con etiqueta.

3

Jale la palanca y después levante el brazo de soporte y ponga la llanta delantera.

## ¡Más Consejos útiles!

Los conductores de LTD tienen el compromiso de dar un servicio de calidad, pero lamentablemente no pueden ayudarle en la carga o descarga de las bicicletas. Con la información que le presentamos en esta guía, usted podrá resolver fácilmente la carga y descarga de su bici.

# ROUTING FROM: EUGENE STATION

# ROUTING: SPRINGFIELD STATION

EmX is LTD's Bus Rapid Transit (BRT) system, connecting west Eugene, downtown Eugene, the University of Oregon, downtown Springfield, and the Gateway and RiverBend areas. EmX offers dedicated bus lanes and signals that prioritize bus movement, ensuring quicker travel compared to other modes of transportation. EmX Stations are designed for passenger comfort, featuring covered shelters, fare vending machines, and real-time arrival information.

### Fare is Required on EmX

Like LTD's regular fixed routes, fare is required on EmX. Purchase bus fare in advance at a ticket vending machine on each EmX platform, at the Customer Service Centers, or in the Umo app. EmX day passes are interchangeable and can be used on regular fixed route buses. **Be prepared to show valid fare when asked by a fare inspector or public safety officer.**

### Understanding Published Times

The stops noted with numbers on the EmX route map and timetable are **major stops** that help keep the bus on schedule. EmX buses are required to stop at these platforms, even if there is not a person waiting at the platform or a when a stop is requested.

Between the major stops noted on the map and timetable, EmX buses may not always stop, unless a stop is requested onboard or a rider is waiting at the platform.

### Please Arrive at the Bus Stop Five Minutes Early

If a stop is not listed on the timetable, use the previous major stop as a guide to determine when to arrive at the stop.

### Navigating the Gateway EmX Loop

In Springfield, EmX buses travel along the Gateway section of the route in two directions: clockwise and counterclockwise around the loop. Each trip serves Sacred Heart Station, but the route alternates between serving Gateway Station and Sacred Heart Station first.

When planning a trip, pay attention to where the dashes appear on the timetable and if they are before or after the midline of the timetable. If the two dashes in the Sacred Heart Station column appear before the midline, then the bus travels clockwise and serves Gateway Station before Sacred Heart Station. Conversely, when the Sacred Heart Station column lists a timepoint before the midline, but has two dashes after the midline, the bus will travel to Sacred Heart Station first.

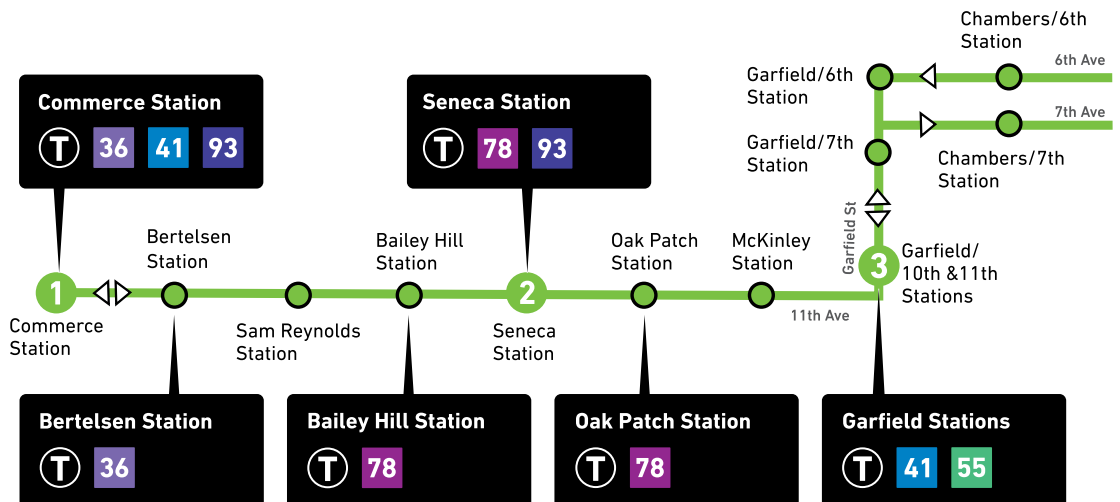

At the EmX platform, check the exterior LED signs to see which direction the bus is traveling and reference the timetable.

### Bikes on EmX

El EmX es el sistema de Transporte Rápido de Autobús (BRT, por sus siglas en inglés) de LTD que conecta el oeste de Eugene, el centro de Eugene, la Universidad de Oregón, el centro de Springfield y las áreas de Gateway y RiverBend. El EmX ofrece carriles exclusivos para autobuses y señales que dan prioridad al movimiento del autobús, lo que asegura un viaje más rápido en comparación con otras formas de transporte. Las estaciones del EmX están diseñadas para la comodidad de los pasajeros, con refugios cubiertos, máquinas expendedoras de boletos e información sobre las llegadas en tiempo real.

## El boleto es necesario para el EmX

Al igual que las rutas fijas regulares del LTD, para abordar al EmX ya hay que tener el boleto. Compre su boleto de autobús de forma anticipada en una máquina expendedora de boletos en cada plataforma de EmX o en los centros de servicio al cliente o a través de la aplicación Umo. Los pases diarios para el EmX son intercambiables y se pueden utilizar para los autobuses con rutas fijas regulares. Prepárese para mostrar un boleto válido cuando el inspector de boletos o el oficial de salud pública se lo pidan.

## Información sobre los horarios

Las paradas que se indican con números en el mapa de rutas del EmX y los horarios son las paradas importantes que mantienen el autobús sin retrasos. Los autobuses EmX deben detenerse en esas plataformas, aunque no haya nadie esperando en la plataforma o cuando se solicite la parada.

Entre las paradas importantes que se indican en el mapa y en los horarios, los autobuses EmX no siempre se detienen, aunque el pasajero solicite la parada o aunque el usuario esté esperando en la plataforma.

## Por favor llegue a la parada de autobús cinco minutos antes

Si en el horario no se indica una parada, utilice la parada principal anterior como guía para determinar cuándo debe llegar a la parada.

## Desplazamiento por el circuito de EmX en Gateway

En Springfield, los autobuses EmX viajan en dos direcciones por todo lo largo de la sección de Gateway: en sentido de las manecillas del reloj y contra las manecillas del reloj alrededor del circuito. Cada recorrido ofrece el servicio a la estación de Sacred Heart, pero la ruta se turna entre primero acceder a la estación de Gateway o la estación de Sacred Heart.

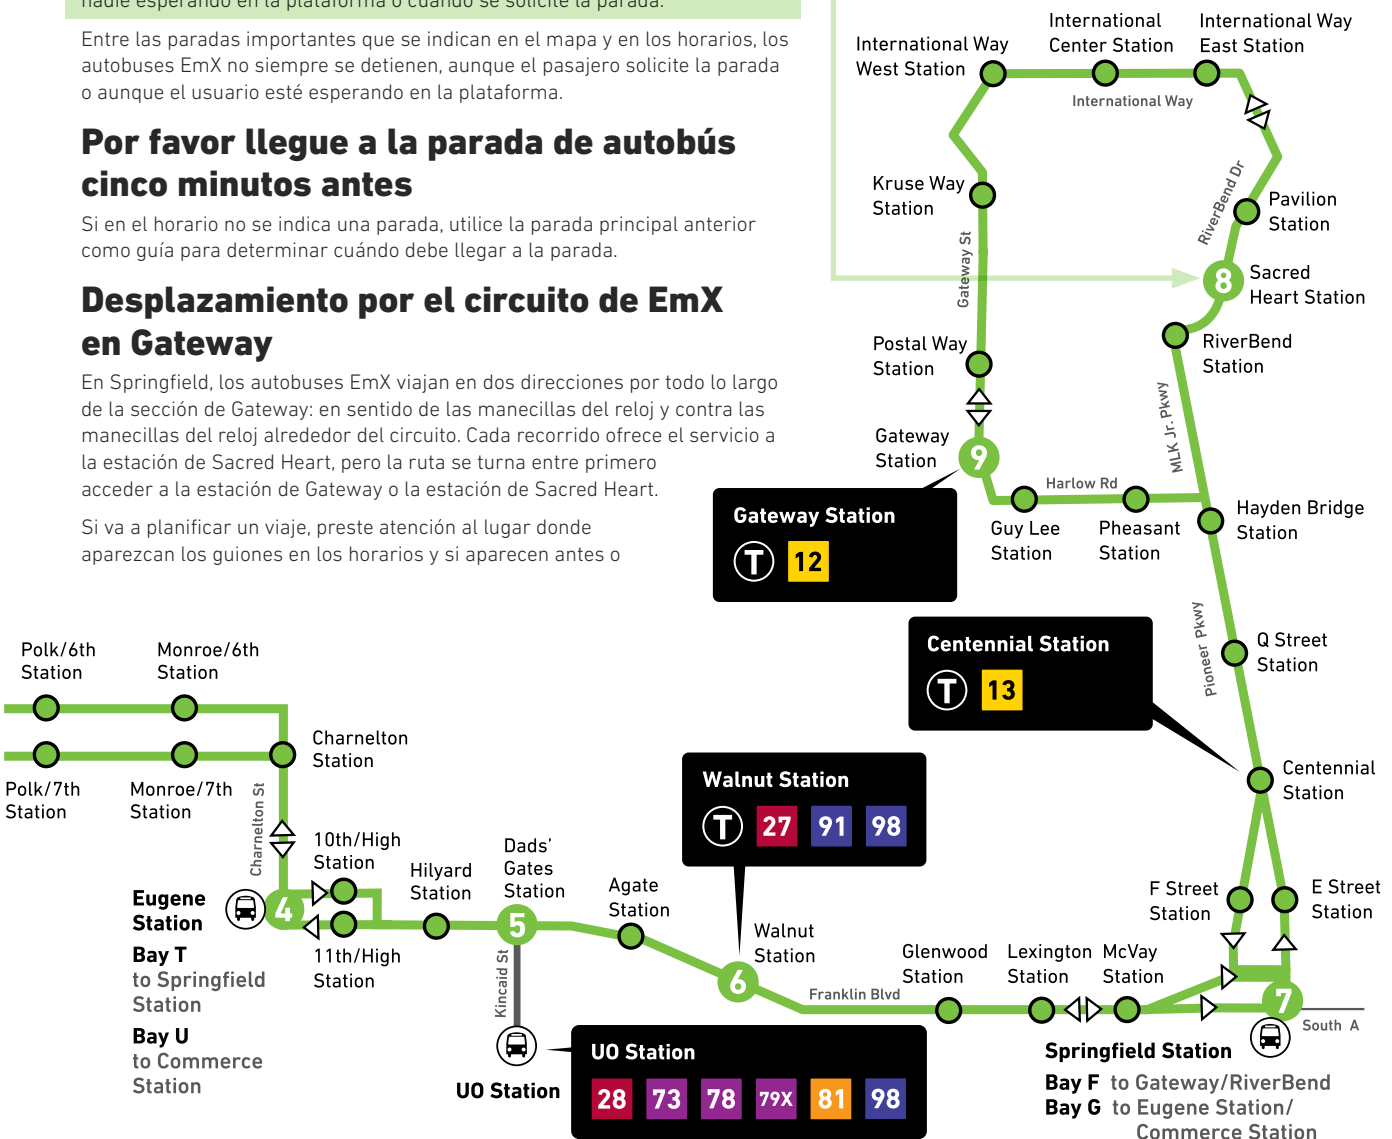

Si va a planificar un viaje, preste atención al lugar donde aparezcan los guiones en los horarios y si aparecen antes o

después de la línea central del horario. Si los dos guiones en la columna de la estación de Sacred Heart aparecen antes de la línea central, entonces el autobús viajará en sentido de las manecillas del reloj y pasará primero a la estación Gateway antes de la estación de Sacred Heart. Por el contrario, si la columna de la estación de Sacred Heart indica un punto de tiempo antes de la línea central, pero tiene dos guiones después de la línea central, el autobús se trasladará primero a la estación de Sacred Heart.

En la plataforma del EmX verifique las señales exteriores de LED para ver en qué dirección viaja el autobús y consulte el horario.

## Bicicletas en el EmX
