## How To Read the Timetable

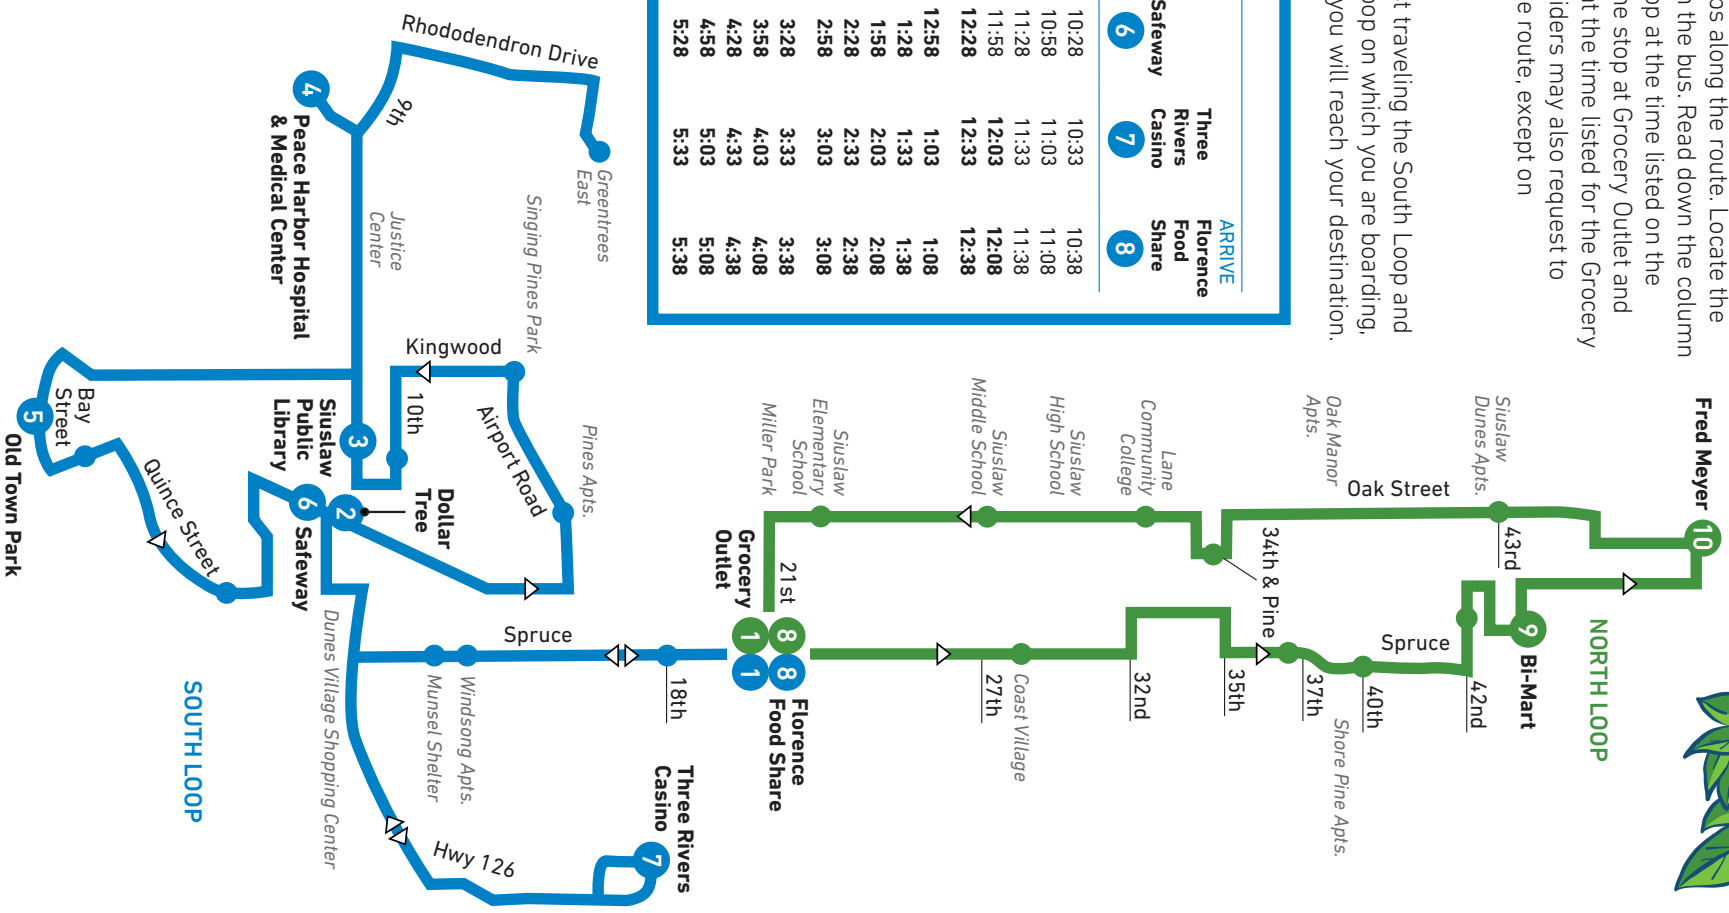

The Rhody Express route is divided into two loops – the North Loop and the South Loop. The timetable contains timepoints for major stops along the route. Locate the timepoint before the stop you where you want to catch the bus. Read down the column to find the time you want to travel, and wait at your stop at the time listed on the timetable. For example, if you are boarding between the stop at Grocery Outlet and the stop at the Dollar Tree, be sure to be at your stop at the time listed for the Grocery Outlet rather than the time listed for the Dollar Tree. Riders may also request to board or disembark the bus at any safe location along the route, except on Highways 101 and 126.

## Riding From South to North

The Rhody Express operates a 60-minute route by first traveling the South Loop and then the North Loop. If your destination is not on the loop on which you are boarding, remain on the bus as it switches to the next loop, and you will reach your destination.
