PUBLIC TRANSIT IS FOR EVERYONE

July is Disability Pride Month, commemorating the 1990 Americans with Disabilities Act (ADA). Before it was an ADA requirement, LTD was the first transit district in the country to feature a fully wheelchair-accessible vehicle fleet. By partnering with local governments and non-profits such as White Bird Clinic, Senior and Disability Services, Alternative Work Concepts, and South Lane Wheels, LTD delivers award-winning services for older adults and people with disabilities. At LTD we're committed to providing you with convenient and accessible transportation so you can feel safe, secure, and comfortable traveling around the community. We believe public transit is for everyone. That's why we offer accessible features like:

- Ramps and low-floor buses for easy boarding on neighborhood routes.
- Audio announcements for major stops and transfer points.
- Reduced or free fares for qualifying people with disabilities and older adults.
- Service animal endorsements for expedited boarding.
- Individual transit training.
- And so much more!

Riding the bus can be easier than you think! For more information on **how you can ride the bus**, visit us in person at the Customer Service Center at Eugene Station or online at **LTD.org**
