## Winter Service Changes Begin February 2

Starting Sunday, February 2, LTD's Winter Service Change brings route and schedule updates to make our bus service more efficient and better meet the needs of our community. These updates are the result of careful planning and community outreach from the LTD System Review. In addition to timepoint changes on several routes, the following is a summary of changes:

- **Route 24** will now stay on Donald Street when returning to Eugene Station and not travel along Pearl and 34th Place.
- **Route 41** will no longer have limited-trip routing, which served Green Hill Road and Mary Lee Lane.
- **Route 52** will now travel along Calla Street and Kalmia Street to get to Irving Road when returning to Eugene Station.
- **Route 91** will no longer stop at Springfield Station on its last trip of the day traveling toward the McKenzie River Ranger Station.
- **Route 93** will now start and end at Eugene Station and will no longer serve Seneca Station or the loop that travels Bertelsen Road, 1st Avenue, and Seneca Road.
- Time point changes on several other routes.

## Ribbon-Cutting Ceremony Celebrates Remodeled Customer Service Center at Eugene Station

Last month, LTD celebrated the completion of a year-long renovation project at the Customer Service Center at Eugene Station, marking a major milestone in improving the central hub of LTD's transit system. The event, held on January 15, 2025, highlighted the \$3.8 million renovation, which was primarily funded by federal infrastructure grants.

The newly upgraded Customer Service Center features modernized restrooms, improved back-lit station signage and wayfinding, energy-efficient upgrades, and revitalized public spaces—all designed to enhance the experience for riders and the community.

Through guided tours of the updated facility, community members saw firsthand how LTD is investing in a better transit experience for everyone.

## February 4 is Transit Equity Day

Transit Equity Day is February 4, honoring Rosa Parks on what would be her 112th birthday. In all that we do at LTD, we are committed to creating a more connected, sustainable, and equitable community. We hope to see you on the bus on Tuesday, February 4, to celebrate Rosa Parks' legacy of advocating for equity in public transit.

## We LOVE LTD Riders

To say “thank you” for riding with LTD, we’re offering FREE limited-edition stickers, specially designed for LTD riders.

Stop by the Customer Service Center at Eugene or Springfield Station starting February 11 to claim your exclusive sticker (while supplies last). These stickers are a fun way to show your LTD pride and are available at no cost as a token of our gratitude.

Whether you’re commuting to work, heading to class, or exploring our beautiful region, we’re proud to be part of your journey.

Thank you for riding with LTD—we love having you aboard!

## Spread Kindness on Transit with LTD

February 17 is Random Acts of Kindness Day, a perfect opportunity to celebrate the power of small, thoughtful actions that improve our community.

This year, LTD is encouraging everyone to bring a little extra kindness to their ride. Here’s how you can join us:

- **Give a Compliment:** Let your operator or fellow rider know you appreciate them.
- **Offer a Helping Hand:** Assist someone with directions, hold the door open, or offer someone your seat.
- **Pay it Forward:** When you experience an act of kindness, keep the momentum going and pass it on.

Kindness doesn’t just make someone’s day—it makes our buses and stations a more welcoming place for all. Let’s ride with kindness on February 17 and every day!

LTD offers multiple ways to attend, watch and participate in LTD's public meetings. Attend in person at the LTD Administrative Office at 3500 East 17th Avenue, or watch the meetings via Zoom, on local channel 21, or stream on Eugene Metro TV's YouTube channel.
